

EST. 1980

Thank you for coming to Oley's Pizza and joining us in celebrating 43 years of pizza making history. Created and founded by Stephen - better known as Oley - and Carol Olinger, Oley's Pizza has stood the test of time. The family opened its first pizzeria in Ossian, Indiana in August 1980 & since then we have achieved numerous local & national awards. However, our greatest achievement is seeing faithful customers, "FAMILY", returning year after year to join us in celebrating good food, good friends & good times. After numerous visits to Chicago, Oley was the first to bring his own take on Chicago Style pizza to Fort Wayne. The invention that made us FAMOUS. today the Olinger family continues to strive to carry on the great tradition started by Oley & Carol 40 years ago. We are proud of making the freshest, most natural and best tasting Artisan pizza pie that is possible. Come, Sit, Relax & enjoy the BEST pizza you've ever had!! Thank you from the Olinger family,

to all our loyal customers "FAMILY"
